Greetings Pastor and Church:

“O sing unto the LORD a new song; for he hath done marvelous things: his right hand, and his holy arm, hath gotten him the victory.” Psalms 98:1. Please forgive me for neglecting to send regular prayer letters. The Lord is blessing His work in Ghana. Below are some highlights of God’s goodness in Ghana.

February 2023:

Proverbs 1: 5 – “A wise *man* will hear, and will increase learning; and a man of understanding shall attain unto wise counsels.” We had our first orientation for students who want to study with us. Five prospective students attended this program. By the end of the month, we had twelve students who all want to study Theology with Dayspring Bible College and Seminary. On the 16th of February 2023, the master’s student classes began with eleven students in class.

April 2023:

One classroom was furnished with table, chairs and learning materials for the commencement of the preschool. On 17th, this arm of the Church was inaugurated. The name of the school is “THE CROSS TREASURES”, our motto is “Giving the Future Hope” with Jeremiah 29:11 as our theme verse. We admitted the first child on the 20th of April 2023. As a Christian School and who hopes to instill Christian values into our children, we have adopted the Landmark’s Freedom Baptist Curriculum, USA in addition to the ones available to us in our Country.

May 2023:

On May 1st, in collaboration with Jesus Rescue Team, we organized a movie show at the Silver Bird Cinema at the Accra Mall. We are grateful to God for such an opportunity. *About 100 professions of faith were made.*

On May 14th, we had a Mother’s Day Celebration which was also used to invite women in the community and the women in the Church took charge in leading certain parts of the service and I preached from 2 Kings 4:8-20.

May 19th, Pastor Edward James Stanley and Mrs. Wanda Kay Stanley visited for two weeks. During their stay they joined us in all our services, mission trips and even taught those taking the Bible Course. They also participated in the 4th annual KJV conference that took place on the 27th of May. Nkurakan Community Day Senior High School is a school that started operations in 2022. We have sent a letter to them requesting to have time with the students during their Wednesday morning Services. Fortunately, the reply came just when Pastor and Mrs. Ed. Stanley came to visit, and we were glad to make our first appearance in the school with them. *We shared about 800 copies of the KJV Bibles to the student and all the staff.* Many students came to the altar and made professions faith and rededicated their lives to Lord Jesus Christ. We also visited Ayenya DA Basic School, which we do twice a month. Pastor Ed. Stanley delivered the Salvation message which saw some Muslim Children raising their hands for salvation. *Pray for those children as we devise ways to follow up discreetly because of the danger the now face being Christian.*

On May 27th, the 4th KJV Conference started. The theme for this year's conference was ***“Go ye therefore”*** with a focus on ***Biblical English; the Language of the King James Version Bible***. Having received many questions about the many versions of the Bible and why we only give out the KJV Bibles and not the other so-called modern-day Bibles, we saw the need to hold this year's conference with a focus on teaching the language of the KJV Bible. There was the need to return to our roots and upholding the Bible that was handed down to us since 1611. If we must go, what is the right message and what resource must we use? This and many mind troubling questions necessitate this event. We were privileged to have Pastor and Mrs. Edward James Stanley in the conference. They are missionaries to Africa who with the collaboration with Bible Literature have been sending Bibles to Africa. Since our encounter with them five years ago, they have shipped two 20-footer containers to Ghana through Crossmark Baptist Mission. We were so glad they were part of this year conference since they have been sending the KJV Bibles to Africa. There were 136 participants at the conference representing 53 churches. Not all of these churches were KJV teachers. Since this conference, the church has been contacted by multiple churches to come help them teach the KJV to their people.

June 2023: On a personal note, our one vehicle broke down. We use our car for personal travels, but also to bring people to and from church. Thank you to many churches who helped us bet the car repaired.

December 2023: This past month, we were able to give a small gift to about 200 children. More importantly, we were also able to feed them rice and chicken and give them the Word of God. Through the preaching, 35 young people professions were made. Will you commit to praying for these young people?

Current: As you can see, God is faithfully providing his Word to the people of Ghana. Would you commit to praying for us in 2024. The time is short and the people need God's Word before it is too late.

Thank you for faithfully partnering with us through your prayers and monetary support. We could not do the work without the help of the brethren.

Your humble servant and brother in the Lord,

Jonathan Adjabeng.
