Working Together!

About two weeks ago, Miguel came for the first time to the church service in Iglesia Bautista Redención. When the invitation was given, Miguel gave his heart to Jesus. Praise the Lord!

This month, the Iglesia Bautista Palabra de Vida had an evangelistic revival. Praise the Lord for the attendance each night and first time visitors that came each night.

Continuing to Grow!

Since our last prayer letter (March 2024), the Lord has done wonderful things and has blessed the churches greatly. The work in *Los Manguitos* continues to grow through the efforts of street preaching and door-to-door visitation. We are seeing more and more people sit outside their homes to hear the gospel message. We are still praying that the Lord will break their hardened hearts and that they will be saved. We praise the Lord for the ones who are coming and are hearing the gospel.

The Lord has blessed us with a new missionary couple who is starting a work in Santa Teresa Carazo, Nicaragua. Brother Marlon and his wife have obeyed the Lord's calling and have gone to this town to plant a church. They have seen ten people saved and their first church service was Sunday, May 4.

Throughout the month of April and the first two Sundays of May, the Lord has blessed Iglesia Bautista Redención with many first-time visitors. The Iglesia Bautista Palabra de Vida is experiencing growth in both the youth and Sunday school ministries.

We look forward to see how the Lord will continue to work in all the areas of ministry here in Nicaragua. Thank you for your faithful prayers and support.
