Working Together!

What a blessing it has been in seeing the Lord add to the church. During the month of October, Luz and Javier followed the Lord in believer's baptism. What a time of rejoicing it was for the church!

We are blessed to see the wonderful work that the Lord is doing. Psalms 72:18 says it all. *"Blessed be the LORD God, the God of Israel, who only doeth wondrous things."*

The Lord Added!

It is always a blessing to see the Lord work! In the second church (Iglesia Bautista Redención), we have been blessed in many different ways. Since our last prayer letter, there has been a growth in Sunday school, there has been an elevated desire to bring visitors to the church services, there has been a sweeter unity and bond among the church members and the Lord has blessed us with two more who have followed the Lord in baptism. What the Lord has been doing in the second church has been huge.

As we continue to work here in Nicaragua, our main focus has been with the second church (Iglesia Bautista Redención). We have started Bible studies in the homes of the church members on a more personal basis. This allows them to feel more freely in asking questions and it helps us to concentrate on making disciples.

As with any ministry, we have gone through some times of trails; the month of September was one of those times. But praise the Lord! He has brought us through and has blessed both churches beyond what we could think. To God be the glory! Your prayers definitely make a difference.
