CHURCH PLANTING MISSIONARIES IN MOZAMBIQUE, AFRICA

December 2024

Political Unrest

Since the beginning of October, Mozambique has experienced much political unrest due to a presidential election. Unfortunately, there are discrepancies in the election, and the people are agitated. The election results have caused many days of protests throughout the country. We have stayed safe and away from the trouble, but many people in Mozambique suffer daily. Will you pray with us about this situation in Mozambique? Please pray for the safety of ourselves and the Mozambican people. Also, please pray for a peaceful transition and that many would see their need for the gospel through this situation.

Continuing Language Studies

We are continuing to learn and grow in our Portuguese language abilities. We still have a long way to go before we can freely communicate, but the Lord is helping us to learn and grow every day. We are happy that God has provided good teachers for us. Please continue to pray with us.

During the month, I spent time with the pastor of our church. I always enjoy spending time with him. He patiently helps me with the language and explains many cultural aspects of Mozambique. This past month, we visited one of his pastor friends in another part of the city. It was a great opportunity to meet another pastor in Mozambique and learn his language and culture. I am always amazed at the kindness and hospitality of the Mozambican people.

Thanksgiving

At the end of November, we went to Port Elizabeth, South Africa, to celebrate Thanksgiving and have ministry training with our fellow VBM Arica teammates. They have been serving in South Africa for many years. It was a great and refreshing time for us. We are very thankful to have close friends near to us.

Praises:

We praise the Lord that we are making progress in learning Portuguese.
We praise the Lord for safety during this troubled time in Mozambique.
We praise the Lord for our friends in South Africa who encourage us.

Prayer Requests:

Please pray with us as we continue to learn Portuguese.
Please pray with us regarding the political strife in Mozambique. Please pray for safety and peace.
