Serving in Porto Alegre, Brazil

April 8, 2024

Some plant, some water, but God gives the increase...

In February we invested time in VBS outreaches and camp with the teen girls. We still had Thais, the seminary student, here and it was during this time we started weekly teen meetings. It has been a blessing to see our teens participate in evangelism; some giving out tracts and others speaking and sharing their faith! We have been striving to continue to have more contact throughout the week with our teens. Recently, the girls made cookies to sell so that they could begin saving up for winter camp. Please pray for the continued spiritual growth of Thayana, Emily, Mari, and Isadora.

I continue to meet with Maria Helena each week. She is one of our contacts that we have had for many years. She met Br. Mike and Br. Jim, another missionary, when they were door-knocking on her street several years ago, maybe seven years? We have known her awhile. All through those years, she had a busy, active life while caring for her mother, who was bedridden. Tammy and I repeatedly strove to lead the conversation to spiritual things, but she never showed much interest. However, after her mom's passing, her own personal health issues caused her to slow down her life. It was at this time that she became interested in spiritual things and asked if it would be possible to study the Bible with her. We have been working through a chronological study of the Bible for several months now. More recently, she has shown a greater understanding of the gospel and her personal need as a sinner and now has testified of her belief in Christ alone for salvation. After all those years of disinterest, what a blessing to see her testify this! Please continue to pray for her spiritual growth and further understanding of God's Word.

Second Condominium Outreach

This past weekend, we did an Easter outreach at my parents' condominium. The turnout was smaller than our Christmas outreach, but with the smaller group, the kids paid attention as we shared the gospel. We also invited Pastor Claudio from the church at Ponta Grossa to help out. This condominium is located between the two churches; Lord-willing, we will see families come out to visit. We appreciate your prayers for this ministry attempt!

Family

At the end of the month my parents and I will be traveling to the US to attend graduations and spend time with family. Looking forward to crossing paths with some of you in the coming months.

Thank you for your continued prayers!
