## CHURCH-PLANTING MISSIONARIES TO INDONESIA

Dear Fellow Laborers,

4th Quarter 2024

**We are in the States now for our furlough.** Saying goodbye in Indonesia was so difficult! Pray for each person involved in the ministry there. We love and miss them all. Joe, who will be staying back in the States, had the most challenging job of saying goodbye for longer than just a furlough.

We have already enjoyed being in meetings since returning and, of course, with our home church. It has also been so nice to see family and friends. We had a new addition to our church family in South Jakarta right before we left. **Bro. Putra and Sis. Imel have their first child, a son they named Kaleb** (Josh's friend :). We are so excited for them. Please pray for the whole family's health. Bro. Putra has severe GERD. Since having the baby, Sis. Imel has gotten sick with Dengue fever. We praise the Lord that she is doing better.

Putra and Imel are continuing the ministry there in Jagakarsa, South Jakarta. We rejoice to see how God has brought them to minister with us. It is wonderful to hear news from the church. **They see first-time visitors and stay faithful to be a witness to the community. Pray for the lost to be saved!**

I will continue to contact our supporting churches to find out if you would like to receive a personal update on our ministry and an in-person thank you. I know your schedules are full already, but feel free to contact me before I reach you if a time stands out for you.

While Stateside, I am thankful for the opportunity to teach at the Vision School of Missions, a ministry of Vision Baptist Missions. I love seeing how God is working in people's lives. **We would be honored to help if you have some young people looking for training as they move toward missions.**

Reaching Indonesia for Christ,

Josh, Elizabeth, Hannah, Joe & Olivia Ewing

PRAISE AND PRAY WITH US!
