Another Church is Planted

For more than a year, a small group from Faith Baptist has been holding weekly Bible studies in an area of Santiago that needed a Bible-preaching church. Faith Baptist, the first church we planted in Chile in 2005, had been praying and hoping that this Bible study would lead to a church plant. By God's grace, that is exactly what has happened!

After months of preparation, they held their first service in a tent outside the small building they had rented for regular services. We are thrilled to see Chilean churches planting more churches! In addition to this church plant, Faith Baptist has several more young preachers praying about planting a church in the future. Praise the Lord!

Ministry Leadership Retreat

Each February, we host a retreat for pastors, pastors' wives, and Bible college students preparing to be church planters. This year, our theme centered on the subject of sending—we want our churches to send men and women to the harvest, send them well, and ensure they are sent in a biblical manner. Missionaries Stephen Carrier and Kyle Shreve taught alongside me during the retreat. Lori also taught a couple of sessions for the ladies. We thank God for helping us grow in this important area of the Great Commission.

Recording Classes and Extending Our Reach

Last month, we asked for prayer for a new project at the Chile Baptist College as we transition some of our classes to an online platform to train more laborers for the ministry. In February, both Lori and I, along with several Chilean pastors, recorded more than 25 classes each! On March 10th, we launched this new program, and we already have students enrolled from several countries. Please pray that God would grant us wisdom and allow us to serve these students and local churches well.

Short Furlough

Lori and I began our time back in the U.S. with back-to-back missions conferences in Florida and California at two supporting churches. The church in California, Faith Baptist with Pastor Tim Rasmussen, has supported our ministry since our early deputation days 23 years ago! We thank God for both churches and the opportunity to share an update on all that God is doing in Chile.

Would you like to visit Chile this fall? Travis Snode will be leading a trip to Chile from October 20-28, 2025, with 20 available spots. If you're interested in experiencing firsthand what God is doing here, contact Travis for more details at travis@visionmissions.com.

Prayer Requests - In March, we will be speaking at a retreat in Panama with missionaries from across Latin America and giving updates about the ministry in six churches across five different states. Please pray for these opportunities!
