CHURCH PLANTING MISSIONARIES IN MOZAMBIQUE, AFRICA

June 2024

Thank you for your unwavering support and prayers. It's hard to believe that it's already been two months since we arrived in Mozambique. The journey has been a whirlwind of ups and downs, but we have felt your prayers and God's goodness guiding us every step of the way.

Settling into our Home:

We are continuing to settle into our new home here in Mozambique. We praise the Lord for giving us a great place to stay. We are continuing to work to settle in. Our container with many of our household goods is scheduled to arrive in Mozambique this month (around June 11th). Please pray with us that everything will go smoothly and that we will receive our things quickly.

The Church:

We have enjoyed our time at the church here in Mozambique (Fundamental Baptist Church of Malanga). Working in this church and with the many wonderful Mozambicans there has been a joy. We are very thankful that the church is eagerly working with us to learn Portuguese so that we can be more effective in Mozambique.

Please pray for this church that God will continue to use them and that it will be a greater lighthouse in its community.

Witnessing:

Over the past month, we have witnessed many people. We can pass out Portuguese tracts, which is a great blessing, but we are thankful for the opportunities to meet English-speaking people. We have shared the gospel with many and invited many more to church. **Please pray that God will continue to work in the hearts of those we meet daily.**

Baby Clower Update:

Christen had another doctor's appointment this past month. We praise the Lord for the excellent report. **Christen and the new baby are both doing great.** The baby girl is growing and healthy. Please continue to pray for Christen and the new baby girl. Lord willing, everything will continue smoothly, and we will meet our new daughter in the first week of September.

Language School:

Next week, on June 10th, we will begin learning Portuguese at a well-known language school in the city. This school has a good reputation for teaching language. Please pray for us as we start learning Portuguese. We need to learn the language effectively for future ministry in Mozambique.
