

November 2024

We have been in Mozambique for over six months now. We want to praise the Lord for all He has done for us in this short time. Although there are moments when we miss our church, family, and friends in America, we take great comfort in knowing that we are in the center of God's will. Every day, God meets our needs. We truly have a wonderful God that we serve. We are also deeply grateful for your faithful support and prayers. Your support has been a source of strength and encouragement for us.

Thanks to your prayers, we are making steady progress in our Portuguese studies. Your continued support in this area is greatly appreciated.

The Church:

Please continue to pray for our church here in Mozambique. It has been an honor for us to attend Fundamental Baptist Church in Malanga. **Pastor Canodilho and the church family have been a tremendous blessing to us.** The Lord knew exactly where we needed to start in Mozambique. I believe that the Lord will do great things with this church. They are also continually working with us and helping us to learn Portuguese. Their sweet spirit and helpful nature are huge blessings to us. I hope that, in time, we can be as great of a blessing to them as they are to us.

Please continue to pray for my friend Laurindo. I have met with him several times to study the Bible together. I am praying that he will continue to study the Bible with me, that he will clearly understand the gospel, and that he will be saved. Thank you for your prayers.

Family Update:

We are thankful for our daughter, Kinsleigh, who is now two months old. Thank you for praying for her and Christen. We are still working on her Mozambican documents. **Please pray with us that we can get her documents soon.**

Everleigh is doing well, too. She is growing so fast. As expected, she is learning Portuguese quickly and mixing Portuguese words into her everyday speech. It is a joy to see her grow and progress in Portuguese.

Turmoil in Mozambique:

In October, Mozambique held a presidential election. Unfortunately, many Mozambicans are unhappy with the government and the election outcome. We have already seen protests in the country. The unrest will continue tomorrow (10/31) with a nationwide protest planned to last seven days.

This moment is a historic time for Mozambique. I do not understand all of God's plans as He works in this situation, but I know and believe that it is for a purpose. *I believe God is working through the faithful prayers of many prayer warriors interceding for Mozambicans' souls.* **Please pray for Mozambique and this season of political contention.** Please pray for the souls of the Mozambican people. And please pray for peace and safety.
