Ordaining a Proven Church Planter

Carlos Fernandez first came to our church in Chile back in 2008. God gave me the opportunity to disciple him and teach him throughout his years at the Chile Baptist College. I eventually officiated his wedding and, by God's grace, sent him and his family out as church planters in early 2020. Since then, Carlos has shown great faithfulness to the Lord, a true pastor's heart, and a gift for handling God's Word both in and out of the pulpit.

A group of pastors gathered at Liberty Baptist Church in Santiago to officially ordain Carlos (shown in the center of the picture) into the gospel ministry. **There are few days more joyful than when we lay hands on a young preacher and reflect together on the goodness and grace of God!**

Training Men and Women to Follow Jesus

Each year, our Bible college organizes a faithful men's retreat. This retreat is designed to serve the men in our local churches. It is always a time to strengthen friendships and grow in the Word. Pastor Pablo Villegas from Peru traveled down to be our special speaker. Over 150 men attended from 15 different churches.

Lori is also very involved in mentoring pastors' wives, teaching at the Bible college, and speaking frequently at ladies' meetings at the different local churches. **God has gifted her and is using her!**

Prayer Requests

1. Lori and I will both be teaching courses at the Chile Baptist College starting the first week of June. We look forward to investing in the young people who are training for ministry.
2. Lori's mother continues to struggle with her health. At the time of writing this letter, she is currently back in the hospital with lung and heart issues.
3. We currently have \$54,085 given for Trinity Baptist's property. We still need over \$45,000 to reach the goal. Any gift can be sent to **Vision Baptist Missions, PO Box 647, Dawsonville, GA 30534, memo: Trinity Land Fund Chile.**
