## Church Planting Missionaries to Peru

**VISION**  
BAPTIST MISSIONS

*Dear Pastor and Praying Partners,*

We serve a God who provides! Soon after our last prayer letter came out about searching for a place to start the new church plant, my wife and I were driving through the area searching and came across a location for rent. After several meetings with the owner reviewing contracts and discussing details, we finally rented the space for our church plant on the second week of April! God's timing is perfect, and we were able to see that truth played out time and time again over the last several months. Here's a look at the various ways God provided for His work:

We had a group from Valley Forge Baptist Temple in Pennsylvania come down to help us with several construction projects, including a remodel in the church building! The trip was planned months in advance, there was a professional painter and several men who work in construction, and God provided the building for us to work on just a week before they arrived! We were able to shuffle plans around and work at several job sites and saw much work done in their time with us. We are so grateful for their hard work and generosity!

After several weeks of work, we finally had everything prepared in the church building! God has placed several families in our lives that helped us tremendously through all of the planning and projects, thank the Lord for His provision! We printed up 5,000 flyers and began to post online for our inauguration service of Redeemer Baptist Church. It has been a great privilege to see the dream that we have had since 2013 begin to take shape.

Our inauguration service was held on May 19 for Redeemer Baptist Church, and God blessed tremendously! We had many friends visit from other churches to support us on this special day and lend a helping hand. We had 14 visitors from the immediate area that either saw our post on Facebook or recieved a flyer under their door! Some folks were walking past the church on Sunday morning and came in to see what was going on. Regardless of how they got there, they got to hear the gospel of Christ preached! Please continue to pray for us as we continue the work and follow up with these families by visiting with them and studying the Bible together.

Thank you for your investment in God's kingdom!
