Church Planting Missionaries to Peru

Dear Pastor and Praying Partners,

Is it already December?! Before Thanksgiving we were already decorating our Christmas tree and making plans for the end of the year. The seasons don't really change here in southern Peru so it seems to make the year go by without us realizing! As we enter this season we are grateful to God for all He is doing through the ministry here. Let me share a bit about this past month:

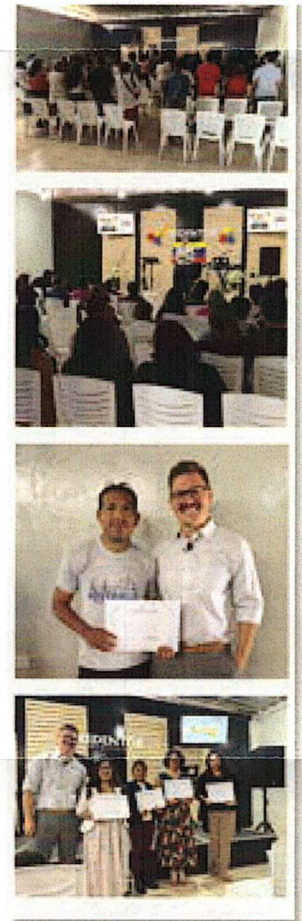

Update on Redentor

One aspect of life and ministry in Latin America is power outages! They are a common occurrence and something we deal with in our home as well as the church. We had an outage on Thursday night as church was ending, and had to use our phones to find our way out of the building! Thanks to your faithful support we were able to purchase a battery-powered speaker with a microphone for the next time we are without power!

We have been studying through the book of James on Sunday mornings, and one common theme is putting our faith into action including in our treatment of others. The Venezuelan community here is large, and many times isolated and discriminated against. We decided to have a special service to welcome them into our church and celebrate their culture with their traditional foods. We had 15 Venezuelans come to church that morning! Please pray that God would continue to work through us to reach this group.

We are thrilled that we held our first baptism service in November! José is a man in our church who comes from a Catholic background. After having accepted Christ he was excited to take his next step and follow the Lord in baptism. He shared his testimony with the church and was plunged into a freezing cold kiddie pool. Please be praying for him as He seeks the Lord and grows in his walk daily!

My wife and missionary Lauren Grant have been working hard to disciple and train ladies to be prepared to disciple others. This is a group of ladies who finished the first level of discipleship, and several of them have stepped into the role of discipling other ladies in our church! This is a huge step in the growth and maturity of the church here, please pray for continued growth.

Praises

- 15 Venezuelan visitors came to our special service
- We held our first baptism service
- 4 ladies completed the first level of discipleship

Prayer Requests

- Discipleship among the men in the church
- Funds for a property purchase: we are running out of space for our children's ministry!
- Continued growth and maturity as we disciple
