## Church Planting Missionaries to Peru

### Dear Pastor and Praying Partners,

We hope you have had a wonderful start to 2025! We are excited to see how God works this year in our family and in Redeemer Baptist Church. As we enter this year would you help us as we pray for God's guidance and provision? One urgent and unexpected message came to me this week about the passing of the owner of our rented space. We trust God has a plan, and we are praying it would become apparent whether our time in this space is limited, or if there will be an unexpected opportunity to purchase the property. We have had several generous gifts come in this month for a property purchase, but we still have a ways to go! We will update as more information becomes available, but please be praying for this situation.

#### Update on Redentor

I have been preaching sequentially through the book of James over the past several months and just finished in January. The main focus we saw throughout the book was a call to spiritual maturity and living out the faith that we profess. It was a great challenge to all of us and I pray it becomes a reality in our daily walk.

God has continued blessing the church plant and continues to bring new families our way. We have had the opportunity to start new Bible studies with several of them and it is encouraging to see them grow and mature in their faith little by little. Our goal this year is to focus intently on discipleship and seeing the church grow more mature in order to invest in and disciple new believers. We have planned events and special meetings to focus on marriage, parenting, and family as well as personal discipleship. Would you pray with us that God would use these things greatly?

Another exciting advancement is the help of Josué, who is serving with me in the youth group and outreach efforts of the church. He recently graduated from the Bible College here and is excited to have the opportunity to continue serving in the ministry of Redeemer Baptist. Would you pray that God would use this opportunity to grow him, and that many young people in our community would have their lives impacted for Christ?

Each week it is an encouragement to me to see young people serving the Lord, using their talents and abilities to teach and train others. It is a constant reminder to me that His church functions as a body, and every member is important! God is using many people in His work here: how might the Lord want to use you in the church family and ministry where He has placed you? As you consider your steps of obedience to the Lord in this, would you pray for the believers here in Peru to continue taking steps of faithfulness?

#### Praises

- We have had visitors almost every week and new folks starting discipleship.
- Several gifts were given recently for our property purchase!

#### Prayer Requests

- Discipleship among the men in the church
- Funds for a property purchase, we had over \$2,000 come in this month!
- A mission group coming in February 2025 for a soccer camp
