

Dear Pastors, Partners, and Praying friends,

April 2024

This past month:

Praise the Lord for the wonderful Multiply Conference He blessed us with this past month at the Chile Baptist College! Over several main and breakout sessions, missionary to Colombia Aaron Vance encouraged and gave ideas on how to continue in the work of evangelism, while Jason Holt taught on Christ's strategy for evangelization and church planting. Pastor John Moncada preached on the actions and attitudes that help spur multiplication, and Pastor Jorge Munoz challenged us about Christ's principles for disciple-making. Many were in attendance during the conference. **Please pray for God's Word to work in hearts and encourage people and churches not to grow weary in evangelizing, discipling, and training new believers.**

We had a good group of volunteers show up to help pass out 5,000 flyers for our upcoming English class outreach at Liberty's current location. We already have about 60 people who have registered. **Pray with us for many more to come so we can share Jesus with them.**

I recently had the privilege of having the young ladies of Liberty Baptist over for an uplifting time of fellowship and sharing. These young women hold a special place in my heart. As we gathered around my small dining table, we shared our joys, struggles, and prayer requests, sometimes through tears. We were reminded through God's Word and through testimony that He can transform our lives and use us for His glory. Several of these girls really want to serve the Lord but are facing significant crossroads, obstacles, and uncertainties. **I humbly ask for your prayers for them and me as I continue encouraging them.**

This coming month:

We have several events coming up in May, including a special youth Saturday, Mother's Day, and an ordination service, along with our weekly English classes. **Thank you for faithfully praying for all that is going on at Liberty Baptist, the Chile Baptist College, and the Chile Ministry!**
