MISSIONARY TO CHILE

Dear Pastors, Partners, and Praying friends,

April 2025

This past month:

Thank you for praying for the evangelistic English classes we've been teaching at Peace Baptist Church, the newest church plant here in Chile. Missionary Joe Taylor and I have been taking turns leading the class. We wrapped up the course with a special graduation service for the students and their families, where Pastor Claudio Orellana clearly shared the gospel. Please continue to pray especially for Pilar and Tomas, two students who have heard the gospel multiple times and claim to understand it but have yet to attend a church service.

I also had the privilege of teaching at the ladies' meeting at Grace Baptist Church in Padre Hurtado, where missionaries Kyle and Hannah Shreve serve. Since it fell on International Women's Day, I took the opportunity to share about how being biblically strong looks very different from the world's definition of strength and success. We ended the meeting with a sweet time of fellowship. **I'm so grateful for opportunities like these to get to know women from other churches and encourage them in their walk with the Lord.**

Another highlight from this past month was traveling to Panama for the Vision Baptist Missions regional conference for missionaries serving across Latin America. What a blessing it was to reconnect with friends I hadn't seen in over two years! There were 27 of us serving in seven different countries—some still in language school, others planting their first church, and others preparing for furlough. **It was a privilege to learn from one another and to be both encouraged and challenged through the sessions, which spoke to our personal, spiritual, and ministry lives.**

This Coming Month:

The Multiply Conference, organized by Chile Baptist College, is an annual event designed to equip and challenge local churches and believers in the areas of evangelism, discipleship, and leadership training. Please pray that lasting fruit will come from this year's conference. Also, pray for the various Easter outreach activities that the churches across Chile will be holding. **Thank you for staying connected with all that God is doing in Chile!**
