

Family

Since our last letter, our family has been navigating new challenges and experiencing God's faithfulness in remarkable ways. Adjusting to a new culture and way of life has been a constant learning process, but we've seen how God has been at work in every step.

Liz continues to serve faithfully, working part-time as the head of ministry services for Lighthouse Baptist church Rockhampton.

Similarly, I have been blessed to serve part-time as an associate pastor, contributing to the ministry and outreach efforts of our church community. It's a privilege to be able to share God's love and truth with those around us, and I am grateful for the opportunity to serve in this capacity. Our Daughter Abigail step forward for assurance of salvation during a recent youth event. She followed this up with getting baptised

Lighthouse Church Mackay

We've been overwhelmed by the outpouring of support from volunteers who have helped prepare the facilities for our first service in Mackay.

We are thrilled to share that services in Mackay have now commenced every fortnight. The journey from Rockhampton to Mackay, though spanning a few hours, is filled with anticipation and excitement as we gather with fellow believers to worship and fellowship together.

In recent discussions with the core team in Mackay, there has been a growing desire to expand our services to every Sunday. However, amidst these challenges, we have been blessed with the support of two beautiful couples who reside in Mackay and are integral members of our core team. Please join us in praying for the Luckels and the Deens, May God continue to strengthen and guide them as they serve alongside us.

Vanuatu:

As we continue to support the work in Vanuatu. It has been exciting to see the continued growth of the leaders and ministry. Update in next prayer letter about a missions trip opportunity.
