Church Planting In Paraguay

January 2025 Prayer Letter

Christmas in Argentina

We pray each of you had a wonderful Christmas celebrating the birth of our Savior! This year looked different for us as we experienced our first Christmas in Argentina. Surrounded by family, Argentines celebrate Christmas all night on the evening of the 24th with food and fireworks. While our Christmas Eve was much calmer, we enjoyed celebrating together the next morning.

Thank you for your prayers for our Christmas services during December. The Saturday before our Christmas service, we had the privilege of gifting pan dulce (a sweet bread eaten during the holidays here) to many parents of the teens who attend our church. We praise the Lord for several of the parents attending the service and for one of the teens accepting the Lord as his Savior that morning! God is working in the lives of the teens of the church, and their faithfulness both challenges and encourages us.

Many "Firsts"

This month was not only our first Christmas season in South America but was also full of many other "firsts" for us. At the beginning of the month, Lauren had the privilege of teaching the ladies for the first time here in Spanish. At the end of the month, the church held the first baptism it has had since we moved here. We are so thankful for the Henry family allowing us to learn and grow in the language through the ministries of the church. We covet your prayers as we continue to experience many "firsts" in the language in the coming year.
