Church Planting In Paraguay

February 2025 Prayer Letter

Baptisms

We are very excited about how the Lord is working in the lives of the young people who faithfully attend the church! In the past month, two of the teenagers were baptized. Robbie was very grateful to have the privilege of baptizing one of the boys for the first time in Spanish. Please pray for the teenagers as many of them have started discipleship and continue to grow in their daily walk with the Lord.

Camp

We ended the month by attending a family camp with both Iglesia Bautista Fe and Esperanza. It was a wonderful time of fellowship and learning from God's Word together. Robbie helped plan the games, and everyone enjoyed learning how to play kickball for the first time. Please continue to pray for growth and unity for both of the churches in the coming year.

Missions Rally

We want to invite your church's young people to this year's Missions Rally! This event will be hosted on VBM's campus on March 27-28th. Those who attend will have the opportunity to engage with missionaries, experience our missionary training program, and get excited about global missions!
