When someone says, Pastor we don't care about numbers we want truth. The owner of the mechanic shop where we do our Bible Study said, "I gave God my body and heart the business is in second place." Then you have people like Laura who told me Sunday, "God let me down." But we continue preaching Jesus to all who will give us a chance. We continue to pour into our children the words of Jesus. We challenges them that they have gifts that God wants to use here. The older 4 helped organize our VBS. There have been great victories like Dionatan accepting Christ as Savior, but many who continue to struggle to follow the Lord. Please pray for *Vanessa, Rosemara, Naiara, David, Thiago, Gabrielzinho, Fernando, Caroline, Felipe, Andrey, and Wellington*. Each one of these needs to choose to follow Jesus in specific ways in their lives. Would you pray Ephesians 4:20-24. Please pray for salvation of our children: *Isaac and Mercy, as well as Andrea, Leandro, Robson, Silene, Bibiano, Laura, and Junior*. Would you pray John 16:8-9 over this second list.

We have an opportunity to buy the property next door to our church. The value is really the land which has access to 2 roads, and space for parking, and space for activities for our children's ministries. Would you pray with us about this opportunity. The Lord seems to have held the property for us. The owner has cut the price in half from her original asking price. Would you pray Prov. 3:5-6 over this situation with us.

Lastly pray for our regular attendees. *Edson, Welton, Bruna, Fernando, Maria Helena, Maria, Antonio, Cristiane, Isabel, Piettro Rosemara and Ana Claudia, as well as our 20 to 25 children that come to Sunday School weekly*. Would pray Ephesians 4:13-16 over our congregation.

In Christ,
