Church Planting In Paraguay

November 2024 Prayer Letter

Mother's Day

On October 20th, we celebrated Mother's Day here in Argentina. We celebrated each of the ten mothers in the service by giving them a small gift. Many of the mothers who came were visitors, and since then several of them have returned to the church with their children. Please pray that these mothers and their children will remain receptive to the gospel and continue to be faithful to church.

Children's Class

Over the last several months, we have had many children faithfully coming to the church. Because of this the church started a children's class. The kids are eager to learn each week, and are enjoying having their own class where they are able to learn about the Word of God. Lauren has been helping with this class and also had the opportunity to teach for the first time on Mother's Day. Please pray that the Lord will sustain this group of children and bring forth fruit from this class.

Language School

This month in language school Lauren and I both took a book exam and advanced to the next book in our language studies. Although we still make many mistakes in the language, we are learning and practicing everyday. We continue to ask for your prayers as we daily practice and continue to grow in our language capabilities.
