MISSIONARY TO CHILE

Dear Pastors, Partners, and Praying friends,

November 2024

This past month:

Over 150 women from Santiago and other regions of Chile gathered together for last month's ladies' conference, which focused on spiritual disciplines. Lori Holt taught the main sessions, providing an overview of the spiritual disciplines, emphasizing the value of practicing them, and focusing on three specific disciplines: Bible reading, prayer, and fasting. **I had several first-time opportunities to serve at the conference, including teaching a breakout session on the characteristics and value of Biblical friendship and leading a small discussion group after each main session.** I was nervous, to say the least, but the Lord helped me. Our small group sessions were especially impactful, giving us all a chance to reflect on the Biblical teachings and examine areas in our lives that needed strengthening. Many important decisions were made. I am grateful for the time we had to be challenged and convicted by God's Word and to enjoy fellowship with one another.

About two months ago, I began discipling a 19-year-old young lady named Angely. She first came to Liberty Baptist Church through our VBS outreach at the beginning of the year. It has been encouraging to watch her learn and understand more of God's Word, attend church and other activities, and connect with other Christians. Please pray with me for Angely's continued growth and faithfulness.

Over the past two years, God has given me the unique opportunity to support various churches within the Chile ministry, whether by teaching an English class, leading a kids' class, or assisting with events. This past month, I was able to help with the inaugural service at Joy Baptist Church, founded by Stephen and Leslie Carrier in the community of Independencia. **It was encouraging to witness the birth of a new church, see the fruits of their outreach, and meet many new visitors.** I'm excited to see how God will use this new church for His glory!

This coming month:
