Dear Family and Ministry Friends,

March 2024

### Grace Learning Centre

Easter is a very special time of year. It is a time of reflection. It is a time of thankfulness. It is a time to share the goodness of God. The children greatly enjoyed hearing the Easter lessons in Bible class. They wanted to know why we celebrate Easter and they listened attentively.

- They loved shouting, "Hosanna! Hosanna! Blessed is He Who comes in the name of the Lord!"
- *Christ Arose* and *Jesus is Risen* have become favorite songs.
- The lessons touched their hearts. One boy, not sobbing, not making any noise, just let the tears flow down his face as he heard about the scourging of Jesus. After class, he came up to me and said, "Ms. Pamela, please keep teaching me about Jesus!"
- Assurance of salvation was made.
- And, one little boy placed his trust in Christ!!
- I praise the Lord for dying on the cross for the sins of the whole world. I am glad He is my Savior! He is risen as He said!

If you have been wondering what it means to trust in Christ, please contact me! I'd love to share with you what God did for us all.

### Grace Baptist Church

Larona has been very diligent in her discipleship course. She is a thinker and loves to study. It has been very encouraging to hear of how she is applying what has been taught to her daily life. She is loving reading her Bible and is ahead in the Bible reading program she chose to follow. Larona is noticing how the gospel books share similarities and she remains burdened for her siblings, but is encouraged that one sister has been coming the last few weeks. We are halfway through the discipleship course and I look forward to her continued growth in the weeks to come.

### Oodi Bible Club

We have had some interesting times lately at Bible club...lots of cow dung...cars parked under the tree where we meet... and a sweet elderly lady extending a hand of kindness towards us. I praise the Lord for Mrs. Stella who has graciously allowed us to meet in front of her house when our meeting area could not be used. She told me this past week, "You are here each week teaching the children about Jesus. Come, use this space in front of my house." I am praying for an opportunity to share the gospel with her.

I continue to enjoy seeing the children working on their Bible verses. They are bringing friends. Please pray for the salvation of those coming.

**Thank you for your faithful prayers and support,**

Pamela Wieler

## ~March in Pictures~

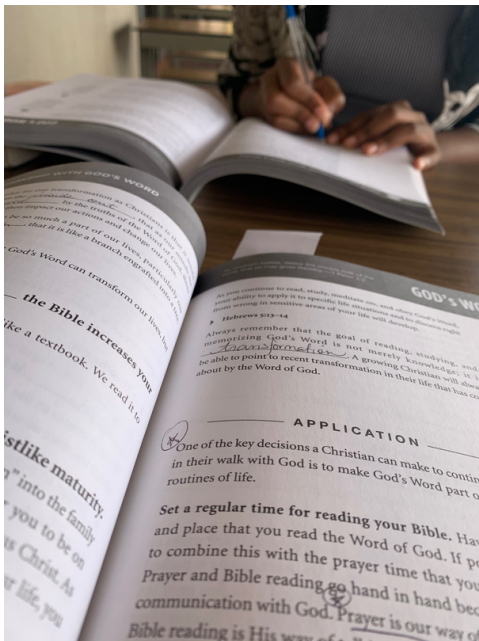

The children at GLC saying goodbye to Mrs. Rosemary, one of my helpers, for the term. She and her husband took a theology course and had to go to Zimbabwe for their graduation.

So very thankful that one of my students placed his trust in Christ this past week! God is good!

Two of my students telling each other the Easter story using one of the art projects from this week!

Pray for Larona as we continue through the discipleship course.

Bible club— Kayla always stays so close during Bible club...Mrs. Stella picking up some trash so our area was clean. Love this space she is letting us use!
