Working Together!

Sandy and I praise the Lord for Scarlet. She is a huge help to Sandy in the children's Sunday School and will soon be the teacher for the younger children's class.

The youth group continues to grow. Each week we are seeing a constant 10-12 young people come. However, the huge blessing is that they are bringing their friends to youth group.

Another Year!

On February 25, the Iglesia Bautista Redención celebrated their sixth anniversary. So much has happened in six years! To think that the work started with 13 people all seated under a mango tree to where the Lord blessed with 101 in attendance on that special day. We praise the Lord for His blessings!

It was a huge blessing to have the young people of the church help in leading the service. Many of the young people have a heart to serve the Lord and to use their talents to serve Him.

Have we had our ups and downs? Yes! However, we sing a song that states: ***En las luchas y en las pruebas, la iglesia sigue caminando.*** In the struggles and the trials, the church keeps moving forward. God has been so good as we constantly see His hand working.

The other church Iglesia Bautista Palabra de Vida continues to grow. Their youth group continues to increase as they are reaching new young people for Jesus. Our new ministry in Los Manguitos has had some set-backs, but we continue to move forward.

We look forward to see how the Lord will continue to work in all the areas of ministry here in Nicaragua. Thank you for your faithful prayers and support.
