

Thank you for Your Prayers!

We are thankful to be able to continue serving here in the United Kingdom because of your continual prayers and support on our behalf!

Autumn is a wonderful time of the year. In England, many churches will host 'Harvest Services' as a special occasion to give thanks to God for His wonderful provision over the past year and also to pray and seek the Lords for a great spiritual harvest! Earlier this month, we hosted our annual Harvest Day at East Birmingham Baptist Chapel. It was such a blessing to see the building filled and to hear many of our people give testimony of God's wonderful provision over the past year. There were also many lost visitors who came and heard the Gospel sermon and some spoke with Zach after the meeting about their souls. We are praying for many of those who have recently visited to be saved!

Camp Victory

This has been a very busy and eventful summer for our family. We were so grateful to be able to take a record number of children and teens from our church to Camp Victory this past summer. Camp Victory hosted its largest-ever camps this summer, with over 400 children in attendance during the course of two weeks. Many young people made professions of faith during the camps and we are continually praying for God to raise up a generation of young people in the UK who will seek His face!

Pray for our city

Please continue to pray for our many Gospel outreaches in the city of Birmingham. Birmingham has recently been named as the UK's first 'super-diverse' city, where the majority of residents are made up of ethnic minorities, many of whom are recent immigrants to the city. Many of you will know that our church is located in a majority-Muslim area of the city, and we thank God for the many opportunities we have every week to spread the Gospel through our open air-outreaches and evangelistic children's clubs.

Birmingham is also known as the youngest city in Europe, with 28% of it's population under the age of 20. We recently held a Holiday Bible Club during the Autumn half term and were thankful to have over 40 children attending from our local area, but it feels like such a drop in the bucket compared to the hundreds of thousands of children living in this city who are in need of a Saviour. Please pray with us that God will grow our children's clubs and ministries and give us further open doors to reach the young people in our Jerusalem.
