Love God.
Love people.

Dear Family and Ministry Friends,

April 2024

Grace Learning Centre

April brought the end to Term One of the 2024 school year. The children worked hard until the last day and were ready for a break. However, I am so very thankful, that on our closing day, **one of my girls called upon the Lord** and was saved! (And, to add to that excitement, **her nanny just trusted in Christ** this past week!!) I am grateful for the opportunity to invest in young people. Academic subjects are important, but learning about Christ and all He has done for us is the most important thing!

As **we begin Term Two on May 13th, we begin completely full!** I am thankful that in just a relatively short time, the Lord has brought families from the community to GLC. God is working and I am looking forward to seeing what He does in the new term to come. I had one mom contact me during the holiday saying her daughter keeps asking about going to church. Please pray that they start coming! I am still looking for a qualified teacher to join our team. Please pray with me about this.

Grace Baptist Church

I had the opportunity, during the term holiday, to take a quick ten day trip home to check on my parents as they've had continued health issues. Before I left, Larona and I doubled up on our discipleship lessons to cover the week that I would miss. Upon my return, we began our lessons once again and I am so proud of her! **She is growing so much and making strong life decisions based upon what we have been studying and from what she is seeing in her daily Scripture reading.** Please keep her in prayer. Her sister also has continued to come to church. Larona is praying that her other siblings will soon come as well.

We had a family visiting us for three months at the beginning of the year. The wife, Mrs. Patsy, started a children's choir with our Sunday School children. They left mid-April and **I will be taking over the children's choir.** Please pray that this new opportunity will bring to church the families of the children who come on their own—we've already seen one family start coming faithfully as a result. It would be a blessing to see more families in the community worship the Lord together.

Oodi Bible Club

The Saturday before I flew out, we had a good group of children. I reviewed the Easter story using the resurrection eggs. The children loved opening the plastic eggs to help me tell the crucifixion/resurrection story. The children listened well and at the end, there were 3 girls and two boys that came to me separately saying they wanted to trust Christ as Savior! I had Pastor Harlly talk to the boys and I spoke to the girls. What joy showed on their faces as **each of the five individually called upon the Lord!** I appreciate Pastor Harlly and his family as they stepped in to cover Bible club while I was away. The children enjoyed their time together with them.

Thank you for your faithful prayers and support,

Pamela Wieler

~April in Pictures~

One of my students trusted Christ as Savior! Her family recently joined our church. I'm excited to see this little one grow in the Lord!

Ona's birthday was a few days after the term ended. She was excited that we could celebrate before holiday!

Praying at Bible club. The three older girls were saved!

Pastor Harlly talking with Kevin and Mateo. They received Christ!

Was very thankful to get to spend a short time with my parents. Being on the other side of the world isn't always easy. God knew we needed the time together.
