August-September 2024

Dear Pastors, Friends, and Family,

Greetings in the name of our Lord and Savior, Jesus Christ! We are excited to share the wonderful happenings in our lives during the months of August and September. God has truly been gracious, and we are grateful for your support and prayers.

These last two months have been a blessing. We have visited 18 different churches and traveled over 7,000 miles. We have reached 28% of our support! Through it all, God has been faithful. It is amazing to see how He has provided for our daily needs. One example of this happened in the first week of September. We were preparing to be gone for two months, going from church to church (more on this later). I noticed that our tires were getting to the point where they needed to be replaced. Instead of pulling money from our startup fund, we decided to pray about it. After one week of prayer, we were at two different churches on a Sunday, morning and evening. I never mentioned our need to these churches. When we got home, I realized that the combined love offerings from these two churches not only provided enough to get us through the week but also covered almost the exact amount we needed for new tires. PRAISE THE LORD!

In September, we had the opportunity to be at our sending church for their missions meeting. It was wonderful to be back home and with our church family. The meeting was great, and a young man surrendered to the mission field. Please keep Eli in your prayers! We are so thankful to have a sending church that loves missions.

We also had the privilege to attend Charity's sister's wedding. Please pray for this young couple as they begin serving the Lord as a family.

We are currently on a trip that will last about a month; and then, three days after we return home, we will leave for another month. Please keep us in your prayers. We will need His protection as we travel. Pray that the Lord will give us favor in the churches we visit and allow us to be a blessing to them.

Please also pray for a young man by the name of Brayden. I had the opportunity to speak with him for a while about salvation. He is trusting in His works and that God will accept him because he is not a bad person. Please pray that the Holy Spirit will convict him of his sin and that he will remember what we talked about.

Because He loves the world,
