### *Biblical Faith Baptist Church in Porto Alegre, Brazil*

God has done it. Praise His Name.  
Years of teaching, praying and your  
giving has led to officially organizing  
of the church here in Porto Alegre.  
We have officially a constitution,

This step of Commitment by Maria,  
Welton, Bruna, Maria Helena, Edson,  
Deived and my wife and I, has been  
a true answer to prayer. You have  
invested in the Lord's work here and

statement of faith, church membership, name registered with the Brazilian Government, and a church banking account.

I believe a lasting work has been started for God's honor and glory to be a light in our corner of the world. Pray for fruit that remains!

## Young People...

We have 6 teens went to camp this year, and average 8 teens a week are coming to Sunday School. It has been blessing to see Wellington (with the baptismal certificate) choose not only Christ as Savior but to follow the Lord in baptism. He works weekly at the church and has demonstrated a real interest in getting to know God and following him. Pray for him as we try to disciple him in God's Word.

## The Mechanic Bible Study

After wrestling with the best course of action at the Mechanic Shop Bible study; We decided to stop the Bible study in 2025. Pray for these believers that they

would get serious about local church involvement and commit to a good Bible believing church near them. We have seen them make choices to follow a pentecostal line of thinking and turn away from clear Bible teaching. We had been there for over 4 years teaching God's word. Pray for Gabriel, Carla, Ricardinho, Geny, Thiago, Gabrielzinho, Vanessa to follow the LORD going forward in 2025. We are turning all our focus in 2025 towards Biblical Faith Baptist Church in Lami for now.

## Family

The children are studying through the Bible and drawing pictures of every chapter as they go along. Pray for our children to grow spiritually. NateNate was baptized in December and Isaac and Mercy continue to show interested in the gospel. Pray for Sarah as she homeschools the 6 children, takes care of the house and continues to help with Sunday School

## Faith Promise Missions

We had the privilege this year of 2025, to begin supporting our first missionary project as a church. We are partnering with another church in our state to help establish Hope in Valley Baptist Church in the city of Roca Sales Besides giving, we have been able to go and be apart of the first service in the valley that was devastated by the flooding last year.
