GOD IS BLESSING ABUNDANTLY AT MIBC!

SEED SOWING:
Our members faithfully continue to minister in the communities surrounding the church.

We pray that God will keep us mindful of the value of one soul that hears the gospel.

What a blessing to have adults in the congregation of who minister to one another, as well as to the lost!

Praise the Lord for His gracious provision. We have been able to solve a leaking window problem with new awnings!

Received with sincerest gratitude:

Received Oct: \$420.00
Received Nov: \$200.00
Received Dec: 0.00

Thank you so much for your support!

STATESIDE MINISTRY IS A BLESSING!

North Carolina, South Carolina, Georgia, Florida, Ohio, Kentucky, West Virginia, Virginia, and a road trip to Houston for a family wedding!

We are so blessed to have visited so many of our supporting churches once again. We've been able to meet new pastors, long-time pastor friends and renew fellowship with the precious supporters of the ministry in MacArthur!

FAMILY TIME
What a blessing to see *most* of "the cousins" as adults enjoying a silly Christmas movie!

ANOTHER WEDDING! Our son, David, Jr, officiating at the wedding of our grandson, Johnny and Baylea!

SPECIAL HEALTH UPDATE: David has been fighting a drug-resistant infection since mid-June. He has recently been hospitalized under the care of an infectious disease team, and has just finished a round of IV antibiotics. This has necessitated delaying our return to the PI twice. Pray with us that this most recent treatment will resolve the problem and that he can get a few clear cultures before our scheduled return March 23.

PLEASE PRAY...

- > Additional souls to be saved
- > Continued "seed sowing" by the members
- > Upcoming Couples' Fellowship
- > Upcoming Missions Conference
- > Continuing construction projects
- > David's health
- > Soon return to the field
