Great Commission Conference

After several weeks in the USA, Lori and I returned to Chile for our annual Multiply Conference, which focuses on the Great Commission. This year's guest speaker was Pastor Jason Georges, a long-time supporter and friend of our ministry. God used him in a powerful way to challenge us from the Word of God to multiply the worship of Christ throughout Chile and around the world. **We were blessed to have church members and leaders from over 15 churches in attendance.** Praise the Lord!

Training Missionaries

Each year, Vision Baptist Missions hosts its annual Orientation Week at the Wilds Camp in North Carolina for stateside missionaries on deputation and furlough. It's a week filled with encouragement, training, and equipping. Lori and I were honored to teach several sessions to missionaries serving in Latin America, Africa, Asia, and the United States.

Just before orientation, all the regional directors gathered for several days of training and planning. **We're thankful for opportunities to pour into others, but also for moments like these when we can sit under the teaching of God's Word and grow ourselves.**

Teaching Bible College Classes in Chile & Georgia

Between our time in Chile and the back-to-back training events, we were also able to continue teaching our classes through the Chile Baptist College's new online platform. **Lori and I both taught, interacted with students, and thoroughly enjoyed investing in the next generation.**

Nearly 100 students were from Santiago, with an additional 45 joining us from other regions of Chile and four other countries! Thank you for praying for this new initiative.

I wrapped up April by teaching a module class on *Developing Leadership Skills for the Mission Field* at the Vision School of Missions (pictured to the right). If God is stirring your heart for missions, I encourage you to check out the VSM in Dawsonville, GA. Visit visionmissions.com/school for more information.
