## MISSIONARY TO CHILE

Dear Pastors, Partners, and Praying friends,

March 2025

### This past month:

Thank you for praying for the leadership retreat we held last month! **It was a blessing to gather with pastors, missionaries, church leaders, and students from the Chile Baptist College.** Representatives from eight different churches across Santiago and central Chile attended, and we were challenged through sessions on the role of the local church in missions, the relationship between churches and their missionaries, and how to develop a healthy sending church. I'm grateful for the time set aside to learn, share, and encourage one another in the Lord, and I look forward to seeing how God continues to grow His work in Chile and throughout Latin America!

**In February, Liberty Baptist Church hosted a kids' outreach weekend, welcoming over 30 children and their families from the community.** The event was filled with songs, skits, games, and prizes, but most importantly, the gospel was shared, leading to many meaningful follow-up conversations. In the weeks leading up to the event, we invited families through outreach and online promotions, and the Lord blessed in a special way—even bringing some families who had previously attended the English class I taught last year! Several families visited the church on Sunday night, where I had the opportunity to teach the children an evangelistic lesson in Sunday school. A few ladies and their children have even been attending for the past two weeks—praise the Lord for how He is working! Please continue to pray that the seeds planted will bear fruit.

**We recently restarted doing surveys during our weekly outreach at Liberty Baptist.** One evening, Romina (the pastor's wife), Estela (a teenager), and I met and shared the gospel with several unbelieving women living less than 30 yards from the church, who were polite and kind, but insistent on their own beliefs. Please pray for God's Word to continue to work even in hard hearts.

### This coming month:

As Chile prepares to start the new school year in March, Liberty Baptist will be hosting a back-to-school Sunday as an outreach to students and teachers. We'll also be kicking off our first ladies' meeting of the year, and I'll have the privilege of teaching a ladies' meeting at another church as well. Additionally, the English class at Peace Baptist will be celebrating its graduation ceremony, marking a special milestone for the students. Thank you for your faithful prayers for me and for the Lord's work in Chile!
