

Robbie & Lauren Prater

Church Planting In Paraguay

March 2025 Prayer Letter

Discipleships

We enjoy being a part of many discipleships that go on during the week. This month Robbie had the privilege of baptizing one of the teenagers and beginning discipleship with him. This has been a wonderful learning opportunity, and they have enjoyed studying God's Word together. Lauren also began discipleship with one of the teenage girls. It has been very encouraging to watch the teenagers of the church grow in their relationship with the Lord!

Sharing the Gospel

The Lord has provided many opportunities for us to recently share the gospel. There are several people we are specifically praying for to be saved. We are often reminded that we can plant the seeds of the gospel, but only the Lord can give the increase. Please pray with us for these individuals to come to know the Lord as their personal Saviour.

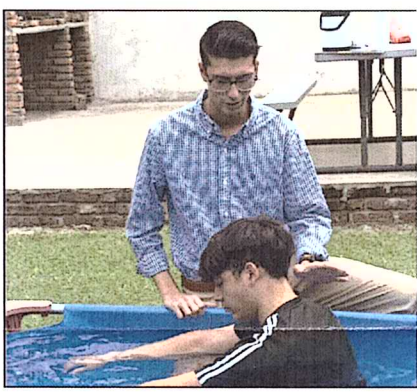

Language School

At the end of the month, Lauren completed book five of her language studies! We are very thankful for the teachers who have spent countless hours investing in our language learning. We all celebrated her last day together with lunch and board games. We appreciate your many prayers for us as we have been studying and practicing Spanish!

In Christ,
Robbie & Lauren Prater

Prayer Requests:

- We praise the Lord for Lauren finishing language school!
- Salvation of souls and discipleships
