Working Together!

The Lord has blessed us with a wonderful youth group in the Iglesia Bautista Redención. They are so willing to help and serve. They truly are a blessing to Sandy and I.

We were blessed to have our missionaries with us during our revival. On Sunday March 23, both churches will be traveling to the church they have started to encourage the believers there.

In the Service of the King!

There was a hymn that, in our younger years, we used to sing entitled, ***"I Am Happy In the Service of the King."*** Sandy and I can truly say we are happy to serve the Lord here in Nicaragua. The Lord has done many marvelous things in the years that we have lived here.

We are happy that this year we have seen 10 people saved and nine baptized. We are happy for the spirit of love and unity that we have in the churches and that they are taking every opportunity to reach the lost. We are happy to see the work that our missionary in Santa Teresa is doing and how the Lord has blessed them. They have seen many saved and recently baptized five more.

We are happy for the evangelistic revival we had and the celebration of the 7th anniversary of the second church, Iglesia Bautista Redención. The Lord blessed with one young lady giving her heart to Jesus and one family joining the church.

We are happy for you! Thank you for your faithful prayers and support. All that the Lord is doing here is because you are faithful there. Stay happy in the service of the King!
