Mountain Top Miracles

In April, we were thrilled to join several like-minded churches for a teen camp in the mountains—truly one of the most beautiful settings imaginable. With fun activities, great food, new friendships, and powerful preaching, it quickly became our favorite camp experience yet. The highlight, though, was seeing our teens respond each night to the messages—making decisions for salvation, rededication, and even surrendering to God's call to ministry. We're so grateful to the missionary friends who organized it and are already looking forward to next year!

Hosting Some of Our Heroes

In March, we were incredibly blessed to host missionary heroes Dr. J.B. and Linda Godfrey. With over 50 years of service, they have been deeply involved in global missions. We made the most of their visit, sharing their wealth of experience with our churches, seminary students, and fellow missionaries. I even had the privilege of recording a podcast interview with Dr. Godfrey.

One memorable highlight was our Faith Promise Sunday as we wrapped up our Missions Month.

We saw an incredible 25% increase in our commitments toward world missions. The celebration continued

with an international dinner, featuring a vibrant array of dishes from around the globe. Dr. Godfrey, who is no stranger to unique foods, enjoyed quite a generous serving of cow tongue!

Most of all, our family was deeply encouraged by the time spent with these faithful servants who reminded us just how big and good our God truly is!
