Dear Pastors, Partners, and Praying friends,

May 2025

### This past month:

Praise the Lord for the Multiply Conference He gave us! Through the main sessions and leadership workshops, Pastor Jason Georges challenged us to remember that Jesus is worthy—not only of our worship, but of worship that is multiplied. We were also blessed to hear the testimonies of two pastors who are actively living this out. Pastor Jorge Muñoz of Faith Baptist recently sent out the Orellana family to plant Peace Baptist Church, the newest church plant in Chile. Likewise, Pastor John Moncada of Cross Baptist will be sending out a family to plant another church later this year. **Please pray that God's Word will continue to work in the hearts of all who attended, encouraging believers and churches to multiply for His glory.**

At Liberty Baptist, we had a meaningful time celebrating Easter with special services on Friday, Saturday, and Sunday, including a kids' presentation and the Lord's Supper. It was a sweet time to be together as a church family and reflect on Christ's sacrifice on the cross for our sins and His resurrection. As I looked around the room during one of the services, I was encouraged to see people who had come to Liberty through so many different ways—some through a social media post, others through a gospel tract, an English class, or an invitation from a friend. **Please continue praying for the Lord to grow this church and provide a permanent property for Liberty Baptist to move to.**

I also completed my third class at the Chile Baptist College this past month. Taking a class in Spanish has its challenges, but it has been enriching as well. The course I just finished, *Biographies of Godly Women*, allowed me to learn from the lives of women like Elizabeth Fry, Ann Judson, Susannah Spurgeon, and Ida Scudder. Their testimonies challenged me to have greater vision, to attempt greater things for God, and to surrender even more fully to Him. These were ordinary women who served an extraordinary God—One who took their complete surrender and expanded their capacity to serve and to suffer for Him. I pray that I can daily follow their example of setting my "affection on things above, not on things on the earth."

### This coming month:

We're looking forward to our annual Renewed Ladies Conference, where we'll be encouraged to have the mind of Christ in how we view God, ourselves, and others. I'm honored to teach at this conference and would greatly appreciate your prayers as I prepare and share.
