Church Planting In Paraguay

May 2025 Prayer Letter

Finishing Language School

April was a very exciting month for us! We both officially finished our language school classes! We are so thankful for the teachers who invested their time in helping us learn this year. Each week, we have the opportunity to continue growing our language abilities through discipleships, teaching, and preaching. Thank you for your many prayers for us as we have been studying Spanish!

Good Friday Service

The church held a special Good Friday service before Easter. We praise the Lord for bringing a visitor who returned the following Wednesday! I had the privilege of preaching two short messages about salvation. Please continue to pray for Iglesia Bautista Esperanza. We have many upcoming events and are praying that the Lord will continue to grow His church.

English Classes

At the end of the month, we put up banners to announce our upcoming English classes! Lord willing, they will begin on the 17th of next month. Please pray for me as I prepare to teach the material. We are praying that these classes will provide an opportunity for people in the community to come to know Christ and to join the church.

In Christ,
Robbie & Lauren Prater
