CANAVANChurch-planting in
IRELAND**BLESSED REVIVAL SERVICES**

We recently hosted our first Revival services in Galway, with the emphasis that Christ gives life and life more abundantly. (Jn. 10:10) Our intention was to evangelise the lost and to encourage the saved. The Lord providentially provided a replacement special speaker, as our first is dealing with cancer and unable to travel at the moment. Bro. James Belisle, who travels in missions evangelism, graciously stepped in so we could carry on with the services at a local community centre. We had believers from fellow churches join us, and one believer share their salvation testimony each night. The first two nights we were a tad disappointed with no "visitors" from our prayer meetings and promotional efforts. However, Bro. James took the opportunity to preach two wonderful messages to the brethren. The final night, the unsaved mother of John who attends our church came to a Gospel meeting for the very first time. We were delighted. John gave his wonderfully clear salvation testimony that evening with his own mother in attendance. John has been witnessing to her for several years and she still fiercely clings to, "as we always say now, it's faith and works, faith and works" for salvation. Harry, a young, unsaved Irishman who is in a battle with cancer also came the final night, and heard the gospel for a second time. Please pray for both Harry and Irene to be saved!

**BIBLE STUDY WITH DAYYAN**

We are meeting an increasing number of Muslims during our street evangelism, particularly young Muslim men. While some are not open to any sort of conversation, others are more devout and eager to discuss Jesus as a prophet and Muhammad as the final prophet foretold in the Hebrew Scriptures. We crossed paths with Dayyan, a young man from Pakistan, during our street evangelism in Galway city, who agreed to meet for coffee. He was intent on converting me to Islam as I opened the Scriptures and shared the Gospel. We have now met twice, and I at least think he is beginning to understand the basics. Please pray for him and other young muslims we have been able to speak with to consider Christ and trust Him as Saviour.

NBT TEAM IN IRELAND

Each year we are privileged to have Neighbourhood Bible Time send a team to assist us and other missionaries with local children and teen outreaches. The Lord has used these teams mightily over the years with their Gospel saturated lessons and enthusiastic zeal in leading rallies here in Ireland, England, and Scotland. We ask you to pray for Levi McGovern and Trent Skinner as they serve. We hosted them a few extra days before they started, just in time to greatly help get out most of our 5k leaflets. We are actively preparing for our second Holiday Bible Club, following our very blessed first club last year. We currently have 26 children signed up online, and are trusting the Lord to work again! Please pray as we hold our second Holiday Bible Club in Galway in just a few weeks on August 5-8. Thank you so very much for your prayers and support, we are very grateful.
