How we praise the Lord, and thank you for your continued prayers and encouragement during the first four months of this year.

As many of you already know, we were delayed repeatedly in our return to the field because of health issues. We were originally scheduled to fly out Jan. 26, but were continually hindered and actually had to change our flight 3 times before successfully heading back to Leyte. Hospitalizations for both of us continued to keep us under doctors' care until just 4 days before our flight out on April 29.

We are settled back home and are rejoicing to see the stability and growth of the church in our absence.

TO GOD BE THE GLORY!

PRAISE THE LORD for the camp ministry of Grace Baptist Church, Tacloban. We sent delegates to each of three camps this year. We had five attend Young Adult Camp in Barongan, Eastern Samar, and four attended teen camp at Grace Baptist's Camp Victory in Babatngon, Leyte. Several weeks later we had 21 juniors attend camp at Camp Victory. These weeks of emphasis on "LIVING OUT LOUD" will have a life-long impact on the lives of our campers and many others. Eight of our campers accepted Christ during the various camps.

BETTER NEWS????

Being back home is indeed good news. But the **BEST NEWS** is that there have been four adults saved in April and May. **Martin** is the father of one of four baby boys. **Nanay Rosario** is a friend of one of our long-time faithful members. **Karen** is the adult daughter of another of our long-time members. We have been witnessing to her for many, many years. **Noel** is her cousin, who has recently lost his son. Each of these new believers is enrolled in our extensive discipleship course. Pray with us as we minister to

them and help them as they grow in their new-found faith in Christ.
