

Dear Pastors, Partners, and Praying friends,

August 2025

### This past month:

We had a very encouraging Winter Conference this past month, centered on the theme of Abide. Pastors Mauricio Pérez, Jorge Muñoz, and Jonathan Black of Southside Baptist Church in Knoxville, TN each preached from John 15—emphasizing that before bearing fruit, every believer must go through God’s necessary cleansing; that true fruitfulness comes only through abiding in and depending on Jesus; and that believers are called to remain faithful even in the face of trials and opposition. Pastor Black also taught two breakout sessions and preached at the Saturday youth rally, along with Pastor John Moncada. We thank God for how He used His Word to strengthen and encourage the ministry here in Chile. **Please pray that, as a result of this conference, many more will remain steadfast and deepen their faith in Jesus.**

We also had the opportunity to host two groups this month: Southside Baptist Church from Knoxville, TN and Open Bible Baptist Church from Orange City, FL. I organized these groups’ schedules, and they were pretty busy most days. These two churches helped pass out tracts and English class invitations for Grace Baptist and Joy Baptist, while the group from Open Bible Baptist painted the interior and exterior of Hope Baptist Church. Pastor Black and Pastor Youmans also preached in several different churches, and I had the opportunity to interpret for Southside Baptist in Sunday School. We had a wonderful time with both groups and are thankful for the chance to show them around Santiago, visit several churches, and introduce them to Chilean believers, while also continuing to highlight the need for the gospel here. **We’re grateful for ministry partners who share a heart for the work the Lord is doing in Chile!**

### Praises

- Abide Winter Conference
- Great Groups
- Offers for Liberty Baptist’s land

### Prayer Requests

- Salvation of Church Kids
- Fruit from Outreach
- Property for Liberty Baptist

I’m teaching through the miracles of Jesus in Children’s Church on Thursday nights, and we recently went through the story of how Jesus calmed the storm. Pictured to the left are three of the boys in my class who were very excited about their paper boats. **Will you pray for their salvation?** Diego is 9, Esteban is 6, and Pablo is 5.

### This coming month:

Please keep praying for Liberty Baptist Church. Praise the Lord, we have had several offers on our old property and are asking for wisdom as we consider where to buy land. **We’re praying that God will provide a new location for Liberty Baptist soon.**

Thank you for faithfully investing in God’s work in Chile. May the Lord bless you as you continue to serve Him where He’s placed you.
