

Ring Family in Brazil

Dear Praying Friends,

Recently in midst of a plumbing project at our house in Brazil I ran across a pvc pipe on which the company had printed, **God is Faithful**. This has been true in multiple areas of our ministry and family life here this year. We celebrated 11 years here in Brazil this past June. God is so faithful and has carried us through the years and we publicly want to thank Him for all He has done. We are like Isaiah, so unworthy but we have said, "Here am I." Any good that has come has been because of God's faithfulness. Please pray for us to walk close to the Lord and in total dependence as we walk forward here at Biblical Faith Baptist Church.

Our church has officially organized and those who have taken the step of church membership have jumped in to help in so many ways. Praise the Lord for a treasurer, Sunday School teachers, van driver, soul-winning partner, people willing to clean and help in so many other ways. Also God has sent a several new folks who have been attending the last few months. Pray for Matheus and Juliana, and Alexandre and Adriana and that their families will soon join the church. As a church we have been preparing to do Evangelistic Bible Studies. It has

Prayer Request

- **Spiritual Growth for our family**
- **Homeschooling of children**
- **Biblical Faith Baptist Church**
- **Salvation of Jonathan**
- **Wisdom about Property next to the church**

been exciting to hear of our people witnessing to their friends and neighbors. Pray that the passion to win the lost will grow in our congregation.

We are actively preparing for an Evangelistic Outreach in the Taquari Valley where all the flooding happened last year. The Baptist Couriers For Christ led by Brother Josh Sterz his organizing a campaign to distribute several thousands John and Romans and have to evangelistic services in November of this year. Please pray with us for the container of John and Romans to get to us before the campaign and pray for fruit that will remain.

On the home front, another school year is beginning with our first son, Kai going into 9th grade, Mik is in 7th, Rya is in 5th, Nate-Nate is in 4th and Mercy and Isaac are starting 2nd grade. Please pray for Sarah as she has Homeschooling mom, missionary wife, and many other duties to juggle.

We enjoyed the visits of Brother Josh and Don Stertz and of supporting Pastor Jim Appel and James Appel this summer. Their visits were a blessing an encouragement to our family and ministry. We want to invite any of you that would be interested in visiting to contact us and come down to see how the Lord is working here in Brazil.
