Dear Praying Friends,

The last few days have been challenging for us on many fronts. We would ask that you pray with us that God would give ability to listen and understand each situations involving members of church. Some may remember Maria from prayer letter over the years. She is moving out of state to live with her daughter. Please pray for her. Please pray for her daughter Vera, who is unsaved.

We had our helpers stepdown from teaching Sunday School and leaving us with all the teaching responsibilities. This has forced us to adjust our service formats and time. We would also ask you pray for Welton and Bruna that God would guide them during this time. They have been with us for 2 years and need pray for direction. Please be in prayer for Mateus and Juliana to be able to get legally married this month. Pray for the property next to the church as we are awaiting documentation to go through for the owner to be able to sell us the property. Once the property is aquired we will have much work to do to get proper water drainage and then leveling out the property.

Our team at the International Fair this week

Our family with Maria, she has been coming to our church since 2014

Jonathan and his family

On the Home front school is going full throttle again. Please pray for our children to grow spiritually. Pray for Mercy and Isaac to truly understand the gospel. Pray for Sarah as she is having to teach them and also will have a larger childrens class to teach on Sundays. Please pray for Nathan's health also. We found out he has gallstones and needs wisdom about the best way to deal with this health challenge.

Soulwinning Efforts have been growing this past month. Nathan is still doing an evangelistic Bible study with Jonathan who is our neighbor. Praise God He has declared his faith in Christ this month. Thanks to all who have prayed for him Pray for him to grow and choose to follow the Lord in believers baptism. Pray for the International Fair and the mass literature distribution going on this week. As a church we have passed out over 2,000 tracts. Pray for efforts that continue through September 7th and for the seed sowed to find place in people's hearts. Moises and Nathan continue going door to door in Lami as well. We have been teaching our regular attenders how to do evangelistic Bible studies these last weeks. Would you pray for them to have boldness and take the opportunities God gives them to do these studies with others during the weeks to come.

In Christ,
Nathan, Sarah, Kai, Mik, Rya, NateNate, Mercy & Isaac
