THE BARTONS

Church Planting Missionaries to Mozambique, Africa

Dear Pastors, Churches, and Partners in Ministry,

THE GOSPEL ADVANCES: I hope and pray that this letter finds you well wherever God has placed you to serve Him! We are so thankful for another wonderful month serving the Lord here in Mozambique, Africa and all of the amazing things He has done and is continuing to do in our midst! This month we continued to aid the Biblical Baptist Church in their weekly outreach efforts in the community and through one specific event (pictured below) we saw many professions of faith in Christ with many others receiving tracts and hearing the Gospel message clearly presented! The area we were in had a large amount of farmland that the people live close to and through a personal connection with a leader in the community, Pastor Lopez was able to bring a group out from the church to invite people and preach the Gospel. It is amazing to have conversations with various people who have been so blinded by religion and false teachings for many years finally receive a clear presentation of salvation in Christ alone! Please pray that God would deal with hearts and that the seed would fall on good ground and that the church would continue to grow!

LANGUAGE PROGRESS: After 6 months in Mozambique, we are making progress every day in the language and it is encouraging to look back from the time we first arrived to now to see how far we have come. We are now entering into the intermediate level Portuguese courses and through our classes and practice afterwards are continuing to grow each day in our speaking and comprehension. This remains our primary focus and greatest prayer request for our family that the Lord would help us to master the language where we can communicate and minister to the people here without any barriers so please be in prayer with us about this!

OUR FAMILY: We were so thankful to celebrate the twins' second birthday on October 4th and had a wonderful time with our friends here to celebrate! Continue to pray for our children that God would bless them and their life here in a great way and that we would have wisdom as we raise them to serve Him! We were also privileged to host my parents this month whose very first time out of the United States was to visit us here in Mozambique! We had a wonderful time together and below you can see a photo taken of us with two of the national pastors here at our church! Thank you for your love, prayers, and support as we could not be serving here without you holding the rope for us! May God continue to bless you as you serve Him!

In Christ, The Bartons
