

Dear Pastors, Partners, and Praying Friends,

November 2025

This past month:

We recently held a family conference at Liberty Baptist Church, where I had the opportunity to teach the kids' class about John the Baptist and his family, as well as the importance of listening to and obeying the Lord. During the same conference, we had a special outreach, and five visitors came, including several families. One family, in particular, with four young adult daughters, has visited several times. I've gotten to know the girls and spent some time with them, and they've shown a desire to learn more about the Lord. **Please pray with me that this family will continue to attend church and that these relationships will grow into meaningful discipleships.**

We were greatly encouraged by Travis and Teri Snode's visit this past month! Travis serves as the general director of Vision Baptist Missions, and he and Teri spent nearly 20 years as church-planting missionaries in Northern Ireland and the UK. The Snodes were a tremendous blessing to the ministry here, preaching in four churches, a missions conference, and a family conference, as well as teaching a marriage workshop for church leaders and students at the Chile Baptist College. **We're so thankful for their friendship, leadership, and faithfulness.**

Thanks to an anonymous donor and a supporting church in Iowa, we now have \$1900 committed towards the Chile Pastoral Scholarship Fund! We have almost 50% of the needed funds to support 5 Chilean pastors (pictured to the left) as they prepare to teach and invest in future students at the Chile Baptist College. **Would you consider partnering with us? For \$800, a Chilean pastor can complete one year of a master's program through an accredited Baptist seminary in the U.S.** If God leads you to partner with us in this endeavor, please send your gift to: Vision Baptist Missions, PO Box 647, Dawsonville, GA 30534, Memo: Chile Church Planting-Pastoral Scholarships, or give online at visionmissions.com/project-detail/chile-church-planting-pastoral-scholarships.

This coming month:

I will be traveling with Lori Holt to a ladies' conference in northern Chile. I will also be teaching an evangelistic English class at Godliness Baptist Church, the newest church plant in the Chile ministry. Additionally, we will be celebrating Liberty Baptist's 10th anniversary! **Please pray for each of these upcoming activities.**

As always, thank you for your faithful investment in God's work in Chile. I hope you have a wonderful Thanksgiving with your family, friends, and church, and may the Lord bless you as you continue to serve Him where He's placed you.
