## Church-Planting Missionaries to Chile

### DECEMBER 2025

#### Praises

Leslie and I finally obtained our Chilean driver's licenses after a nearly year-long process.

Joy Baptist just had its first missions conference.

#### Prayer Requests

Please pray that God will provide the \$250,000 for the church to have a permanent property.

We have a special Christmas service this month, as well as various other events.

It's the last month of the year, and we just had an exciting personal triumph as **Leslie and I both FINALLY obtained our Chilean driver's licenses.** The process here is so much more involved than the States. First, the government required us to have a valid identification card, which takes several months to get. Then they required us to take an eighth grade equivalency exam. That was about three months between registering for the test, taking it, and receiving the results. Then I headed to the municipality and was given a date five months down the road in which we could come back and take our theoretical exam, followed by the driving test itself. Thankfully we both passed or we'd have had to get back in the five-month line.

**At Joy Baptist, we had our first missions conference** to emphasize the need to support world missions. We enjoyed hearing about our responsibility to the Great Commission, as well as from different missions works. I also took the first part of the month to give brief overviews about various missionaries in years past. We decided to do an international dinner, and they ran with it and we had an exciting international dinner. We hope that Joy Baptist will always be a church that support missions around the world.

We're excited for all that is to come, and that includes buying a church property for Joy Baptist. **We're currently raising \$250,000 for a church property in the downtown area where we are.** If you would like to invest in helping the members of Joy Baptist Church obtain a permanent church property, donations can be sent to:

Please make any checks payable to Vision and put "Stephen Carrier Special Projects Fund" in the memo line. The mission cannot cash checks that come in my name.

Thank you all for your prayers and support for us. God bless you!
