

October-November 2025

“Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name.” Psalm 100:4

Dear friends and fellow laborers,

There is so much to be thankful for this season! Kate and I thank the Lord often for you and your church families. We pray each of you have had a blessed Thanksgiving with family and friends, and that you have a wonderful Christmas!

October was a very busy month... we were in 12 different churches and 5 different states. Praise the Lord for protection on the road and no significant car problems. Recently, while I was driving, I watched a motorcycle launch a sizable rock at our windshield. It was headed straight for me and cracked the glass. Kate and I are very grateful the windshield did not shatter, but it'll still need to be replaced. We also replaced the spark plugs in our vehicle that were well overdue; this resolved a hesitation that would occur during acceleration and deceleration around 15-30 mph. I'm very thankful that it cost only \$50 to replace the plugs, instead of a pricier repair.

Kate was very startled!

65,000 miles on the road!

Thank God for specific answered prayer! During a late drive, Kate was talking with a friend. Afterward, she prayed for a specific amount of money to give her friend, and that the money would be given specifically to her (Kate) to do with what she wanted. The very next day, the Lord provided in that exact manner the amount she was praying for, and some extra for tithe. What a special blessing from God!

We are so grateful the Lord prepares our way. Lately, He has given me clarity on which community to start church planting in. He also has been blessing in our preparation for the school ministry. Among these blessings, Kate received advice on teaching piano in the future, someone offered us a cello for the school, and we were able to attend a teachers conference.

(continued from first page)

While visiting churches in Virginia, I had the privilege of witnessing to two Muslim men. First, I met a young man named Julal. We talked briefly, and he said that one must live a righteous life and also had an issue with Jesus being God's Son. I shared some of John 1 and 2 Cor. 5:21 with him. The second person I met was a man from Pakistan named Fez. He also mentioned the humanity of Jesus; we talked about this, and I shared John 10:30. He gave his word that he would watch a gospel presentation I recommended to him. Both men were unbelievers, but they heard things that could make them "wise unto salvation".

Thank you for your continued prayers for traveling safety. We are headed out to Oklahoma in January, and then will spend the next month and a half in Arizona and New Mexico. Please pray for productive meetings, safe travels, and for us to arrive on the Reservation in April. We are rejoicing for 65% support raised!

For the harvest,
Manny and Kate Jimenez
