## Western Adventures

After missing American fall weather for many years, we were blessed this October with the joy of spending three weeks traveling through the Western United States. Our journey took us across Colorado, Utah, Nevada, Arizona, and California — visiting several of our faithful supporting churches and soaking in the breathtaking beauty of God's creation along the way. From the towering red rocks of Arches and Zion to the serene landscapes of Sedona and the awe-inspiring majesty of the Grand Canyon we were continually reminded of the greatness of

our Creator and the beauty of His handiwork. It was a privilege not only to share updates and gratitude with our supporting churches but also to pause and reflect on the goodness of God evident in both His people and His creation. We returned refreshed, encouraged, and deeply thankful for the opportunity to reconnect, report, and rejoice in the Lord's blessings on this western adventure.

## Prayer Requests

1. Our safety and physical and spiritual health
2. New discipleship class
3. Christmas evangelistic outreaches

## Mountain Retreat

In late September, men and teenage boys from four different churches gathered in the mountains for a two-day, one-night retreat — a time of fellowship, renewal, and spiritual growth. Throughout the weekend, we were blessed by powerful messages from God's Word that challenged us to remain faithful in our homes, and churches. Beyond the teaching, the retreat offered plenty of opportunities for sharing testimonies, praying together, and enjoying God's creation on a hike to a nearby waterfall. It was a joy to see mature men of faith investing in the next generation and building relationships that reflect Christ's love. Please continue to pray that the spiritual growth and encouragement experienced on the mountain will bear lasting fruit in the lives of all who attended.
